At the Sarah and James Bowdoin Day Exercises the College gathers to recognize its highest-ranking scholars and to hear speeches by an outstanding student and a highly recognized practitioner in one of the liberal arts disciplines.

The recognition of James Bowdoin Scholars was begun in 1941 to honor those undergraduates who distinguish themselves by excellence in scholarship and to commemorate the Honorable James Bowdoin III (1752–1811), first patron of the College. James Bowdoin III, who asked that the College be named after his father, was an agriculturalist, an art and book collector, and a diplomat who served as Thomas Jefferson’s minister plenipotentiary to Spain from 1804 to 1808.

In 1997, by faculty vote, the College determined that both the commemorative day and the distinction as scholar be changed so as to recognize both Sarah and James Bowdoin. Sarah and James Bowdoin were married from 1780 until his death in 1811. Like her husband, Sarah Bowdoin gave many gifts to the College, including most of the Bowdoin family portraits, which were bequeathed to the College upon her death.

Music by C. T. Burnett
Arranged by Thornton W. Allen

Raise songs to Bowdoin, praise her fame,
And sound abroad her glorious name;
To Bowdoin, Bowdoin lift your song,
And may the music echo long
O’er whispering pines and campus fair
With sturdy might filling the air.
Bowdoin, from birth, our nurturer and friend
To thee we pledge our love again, again.

While now amid thy halls we stay
And breathe thy spirit day by day,
Oh may we thus full worthy be
To march in that proud company
Of poets, leaders and each one
Who brings thee fame by deeds well done.
Bowdoin, from birth, our nurturer and friend
To thee we pledge our love again, again.
